Boredom Busters™ StarMark

Beat backyard boredom and get your pet into some everlasting fun with the StarMark range of toys, treats and training aids. Each Everlasting toy in the StarMark range can carry tasty delights that are dispensed as your pet plays with them. Test your canine's cranium capacity with these toys that connect like a 3D puzzle using the tasty Everlocking Treats. And let your pet play with their food and do away with that boring bowl, with the StarMark Bob-a-lot. This bobbing beauty can hold up to 3 cups of food and will keep your dog both entertained and fed. Why not turn training into fun with the Click & Play Squid. Incorporating the positive reinforcement training methods of the Clicker with a bouncy fetch toy, the Click & Play Squid is a quirky combination of a training aid and toy all in one.

Boredom Busters™ West Paw Design®

Do you think you've got the toughest jaws on the block sitting in your backyard? Try the funky range of West Paw Design® toys. Made from a unique, non-toxic, Zogoflex® material, these toys are GUARANTEED tough. Don't bother throwing your dog a bone, throw him a Hurley instead. The specially designed material allows the toy to float or bounce erratically around the yard. You could also try the Huck, which is a durable replacement to your average ball. Bust backyard boredom with this range of toys that can literally withstand endless hours of gnawing and chewing. Contact boredombusters@vcaworld.com to discover more about this boredom busting range.

HYPER

Get active with the new HYPER products range of interactive dog toys. These bright and funky toys take playing outdoors to a different level of fun. Squirt

Is your pet a bit of a dirty, rotten scoundrel? Does your canine work up a sweat with an odour that could knock you out? Have your dog feeling fresh and smelling delicious with the Squirt range of grooming products. Specifically pH balanced to be gentle on their skin, Squirt cleans your dog's coat without the use of harmful soaps. Tame that tangled mess with the Leave-In Detangler spray, which softens the coat during grooming. Add extra gloss, and a fruity scent, to your dog's coat with the Squirt Spray and Shine. Your pet will be stepping out in style with the Squirt range. Contact squirt@vcaworld.com and discover how you can get your paws on the Squirt stuff for dogs.

Dogade™

Boost your dog's drink with the power of Dogade™. Enriched with electrolytes, vitamins and minerals, Dogade™ is a concentrated powder that you add to your pet's water to keep them hydrated. Dogade™ is the ideal power drink for track and field competitors or training stars. Feed your pet Dogade™ before playing outdoors, particularly on hot days, to increase their endurance, to assist in the cooling down process and to reduce the damaging effects of overheating. Discover more about this tasty drink with a kick by contacting dogade@vcaworld.com.
